**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm using Sonic because of it's high speed, lower cost product, as well as it's a local company.

Supporting local business is extremely important and more competition is needed in order to keep costs at a reasonable level. It is becoming impossible to afford to have TV and high speed internet.

More competition not less!

Thank you
